

COMPANY NAME AVAILABILITY

If you intend to incorporate or form some other type of business in Minnesota and want to check the availability of a corporate name, you can do this by calling the Minnesota Secretary of State at 651-296-2803.

When you call, have two or three alternate names ready. The clerk can normally tell you immediately on the phone if the name shows up on their computer system. The clerk will also inform you that the name is not considered "reserved" until you actually file papers with the Secretary of State.

You can also check the list of registered business names at www.sos.state.mn.us.
